

STUDENT AWARDS AND SCHOLARSHIPS

Need, Question, Issue

What awards and scholarships are available to students?

POLICY STATEMENT

The entire school community is extremely proud of the many accomplishments of students and intends to publicize and recognize these achievements. The School Board directs the District staff to develop meaningful recognition awards for academic and school activity achievements whenever possible.

Rules and Procedures

- A. Student awards range from academic achievement to athletic, as well as college scholarships.
- B. Students and parents/guardians with questions on awards should contact their school counselor or principal.
