January 14, 2010

Dear Middle School Parents/Guardians,

The Centennial Middle School is sponsoring a **Time Out Day** on **Thursday, February 11, 2010**. The school-wide Time Out Day has been a positive tradition that allows students to explore an activity they may not have tried outside of the classroom. Cost for the activities will range from 'Free' to approximately \$43.00.

Activities which take students out of the school building **include bus fees and extra insurance** for the day. Most activities will return at 2:15 p.m. and students will take their regularly scheduled bus home while others may need to have personal transportation arranged (check the flyer carefully). Registration forms and flyers will be distributed on January 15th.

Students who remain in the building during this day will be offered enrichment and recreational activities provided by our staff.

Registration for the activities will take place from **January 19th - January 29th**. **Fees and Permission Forms** are to be dropped off in designated boxes located by the **Cashier's Office** in the mornings only. Any student who has not brought in his/her form and fee by January 29th will be assigned to existing activities within the school. Students lacking the necessary funds may pick up a **Request for Financial Assistance Form** from the Counselor's Office.

Parents may request refunds no later than **Thursday, February 18th** for their child if they are unable to attend the activity they have signed up for. No refunds for Grand Rios will be honored after February 5th.

Time Out Day is a **regular school day** and all students are **expected to be in attendance** unless parents have excused their child from participating. Student absenteeism will be followed-up through the attendance office. If you have any questions, please call the Activities Department at (763) 792-5417 or the Middle School Office at (763) 792-5400.

Sincerely,

Jerry Meschke, Middle School Principal
