The Kids Club Summer C.A.M.P. program philosophy provides a framework for an enriching educational and recreational experience that enhances development and encourages kids to explore who they are and grow socially through:

- **C = Creative Arts** – invites kids to explore creativity and individual expression through a variety of art mediums, drama and writing
- **A = Academic Enrichment** – provides opportunities to experience, discover, experiment, problem solve and reinforce skills to be successful in school
- **M = Mingle with Our World**– exploring the metro area with a variety of weekly field trips and experiences
- **P = Physical Fitness** – activities to promote physical well-being, healthy habits and good nutrition
