Free Senior Preview, 55+, Dec 1 at 4 pm, Centennial Performing Arts Center. Join us beforehand at 3 pm, for coffee and cookies in the Centennial High School West Learning Commons.

In American culture *It's a Wonderful Life* has become almost as familiar as Dickens' *A Christmas Carol*. It tells the saga of George Bailer, the Everyman from the small town of Bedford Falls, whose dreams of escape and adventure have been quashed by family obligation and civic duty. At his lowest on Christmas Eve, his guardian Angel appears to save him from despair and to remind him-by showing him what the world would have been like had he never been born-that his has been, after all, a wonderful life.

From the Desk of the Superintendent...

I am excited to begin my first year as your interim superintendent. I began my career as an elementary teacher and assistant principal at Big Lake Public Schools. I joined Centennial this summer from Prior Lake-Savage Area Schools as their assistant superintendent and former director of curriculum, instruction, and assessment. I enjoy engaging with families and the community, and I am thankful for your support in helping ensure our students are prepared for a successful life ahead. I encourage you to get involved in the opportunities available through community education. We look forward to having you in all that our school district has to offer!
