

Centennial Area Learning Center (CALC) 2020-21 Night School Credit Recovery Program

The CALC Night School Program is an independent study program designed for students who need to make-up credit towards their high school diploma.

Night School Program also offers students who work during the day or are teen parents an opportunity to earn high school credit at a more manageable and convenient time.

Subject areas offered:

Language Arts
Physical Education
Work Program

Social Studies
Health
Math

Science
Elective Options

Where is it held?

Room E314 of CHS East Building
300 Wing
4881 101st Lane NE
Circle Pines, MN 55014
763-398-2960

Who can register?

Any Centennial High School (CHS) or CALC student needing to recover credit towards their high school diploma.

When does it start?

Tuesday, September 15, 2020

How do I register?

Students will work with their CHS counselor to get registered

What days are classes held?

Every Tuesday that ISD#12 is in session

Contact Megan Berres for further questions at 763-398-2969 or MBerres@ISD12.org.

What time is class held?

Students must check in once a week and will have the option of:

1. In person (2:15-3:15) Tuesdays
2. Virtual (2:15-3:15) Tuesdays - Link can be found in "Welcome to Night School" email.
