

# Be a Leader...Be a Reader!

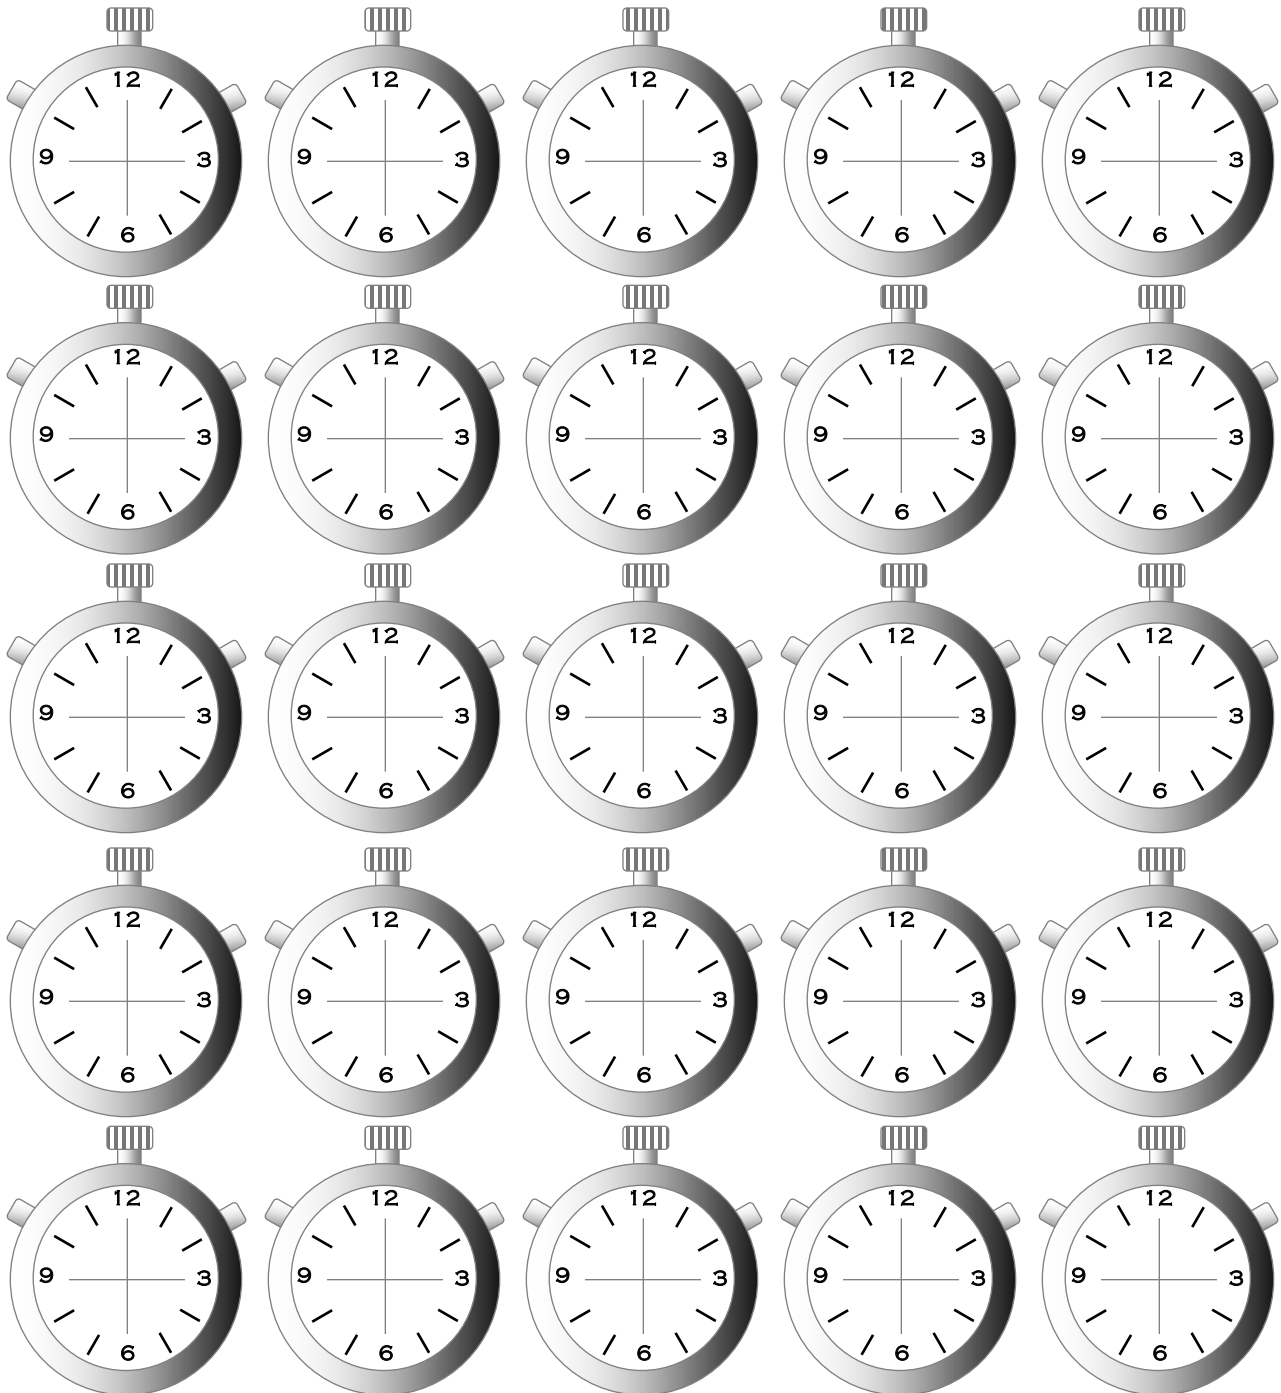

## Join the 25 Hour Club

2018—2019

Keep track of how much time is spent reading outside of school. Students may read alone or with someone. Color in each clock as you keep track of your reading time. When you have all the clocks colored in, bring this form to the media center to receive your free book. Then pick up another 25 hour reading sheet to continue to read another 25 hours. Have fun reading!!!
