Students complete an unpaid 9 month internship program during their last year of transition. The goal of Project SEARCH is competitive employment. We will feature four Metro area Project SEARCH Programs. Come meet our Project SEARCH instructors to find out more information!

PROGRAM DESCRIPTION:

- One Academic Year
- Up to ten students in one program
- Three different 10-week unpaid internships
- Open to all MN School District and Charter School students

ADVANTAGES:

- Gain employability and specific transferable work skills
- Customized job search assistance for each intern upon completion

BASIC ELIGIBILITY REQUIREMENTS:

- Students on an IEP
- Ages 18 – 21, going into last year of transition programming
- Demonstrates work place communication skills appropriate for a business environment
- Ability to take directions and change behaviors
- Applied/eligible for Vocational Rehabilitation Services and County Developmental Disabilities Services
