

PRINCIPAL *Kathy Kaiser*

Dear Centennial Elementary Families,

Centennial Elementary and Helping Hands are proud to continue to sponsor the Powerpack Program. This program gives our students a bag of non-perishable food to bring home every Thursday of the school year. These are individual packs designed for one student. If you have more than one student at Centennial, each of them would receive an individual pack. Carefully selected staff will discretely place the food packs into the students' backpacks. We want to be sensitive to our students and maintain privacy throughout the program. Our program is partnered with the Centennial Food Shelf and a local church.

The program will fill requests in order of returned slips. If you are interested in having your student(s) receive a weekly Powerpack over the remainder of the school year, simply complete and clip off the form below, put the form in a sealed envelope and write **Ms. Kaiser** or **Mrs. Foley** on the front. Your student can return it to their teacher. Again, our program aims to help students in a very confidential and respectful manner. If you are not interested in this program, we certainly understand that as well. May you continue to have a successful school year and we are looking forward to seeing you soon. If you plan on signing up for the Powerpack Program, please return this form as soon as possible.

If you have questions or concerns please contact:

Kate Foley, School Social Worker
