Revised November 14, 2018

KC Preschool 2019-20

KC Preschool is a full-day, year-before-kindergarten program conveniently offered at Blue Heron, Centennial, Centerville, Golden Lake and Rice Lake elementary schools in the Centennial School District.

Children build the skills and behaviors necessary to be successful in kindergarten through guided play, group time and social interaction.

We provide a caring, safe and quality learning environment.

Enrollment begins January 15, 2019. Space is limited.

What do KC Preschool parents have to say?

“My child loves going to school, is becoming more confident and is proud to show me what she has made at school.”

“He loves pointing out the letters at home that he’s learned at school.”

“My son loves going to preschool every day, he is very happy there!”

“We love the preschool as our kids learn in a structured environment which gets them ready for kindergarten.”

“My daughter has become very socially engaged with the other children in her class and genuinely cares about each one of them. This demonstrates the culture that the teachers instill within their class.”
