Course Description:

A course with both independent and group work to improve the individual math skills of each student.

Course Objective:

Students will improve math skills through

- online learning
- independent problem solving
- daily math work
- other math work as needed

Course Expectations:

ALL CLASSROOM AND SCHOOL EXPECTATIONS CAN BE FOUND IN THE CHS STUDENT HANDBOOK. PLEASE READ AND FOLLOW THE GUIDELINES OF THE HANDBOOK.

Attendance:

- All Pre-Algebra Skills students will follow Centennial High School's attendance policy (see handbook for details)

Behavior:

- All students will treat others and their belongings with respect.
- All students will be respectful of the classroom and responsible for their actions (comply with behavior policy; Centennial High School Student Code of Conduct)
- Electronic Devices may be used in the classroom **with** permission of the instructor.

LEAP Information:

- ✓ LEAP hour provides all students the opportunity to receive academic support, complete missing work, and complete or re-take assessments. Test Centers are available in each building and students will be expected to complete missed tests by the end of the semester. All teachers will have their LEAP schedules posted outside their doors.

Test Retake Information:

- Because Centennial High School believes everyone has the ability to learn and grow, tests given in Pre-Algebra Skills may be retaken.
