

**Math Support Geometry Syllabus
Centennial High School
2017-2018**

Course #: 8273	Teacher Name: Karen Radmann
Course Name: Math Support Geometry	Room Number: W406 Phone: 763-792-5092
Semester 1 <input type="checkbox"/> Semester 2 <input type="checkbox"/>	E-Mail: kradmann@isd12.org
Prerequisite: Enrolled in Geometry 1 or Geometry Concepts 1	Credit Earned: 0.5 credit for one semester

Course Description:

This course is designed to assist student with their required geometry class. Students will complete short warm-up assignments that use geometry and algebra skills. There will also be study time for students to work on their math assignment and get help.

Course Objective:

- Students will improve their geometry and algebra skills
- Students will improve their problem solving skills
- Students will improve their study habits

Course Expectations:

Be prompt. Students are expected to be in the classroom, ready to work, when the bell rings.

Be respectful. Students will be expected to respect other students' property as well as their right to learn.

Be prepared. Students are expected to have paper, pencil, math assignment, and calculator every day.

Grading:

In order to earn a passing grade, you will need to complete the math warm-up assignments and maintain a passing grade in your required geometry class.

Cell phones/ electronic devices

Cell phones and other electronic devices **must** be turned off and out of sight during class because they are disruptive to the learning environment. **Cell phones cannot be used as calculators.**

Behavior/Attendance:

Refer to Student Handbook for complete explanation.

- Follow school rules and act responsibly. Do this with a good attitude and self-control.
- Show respect to peers, teachers, and yourself; do not disrupt normal functions of the classroom.
- Listen, follow directions, and participate.

Materials Needed:

Notebook, assignment from required math class (book or worksheet), pencil or pen, and scientific calculator. If all math work is complete students can use any extra time to work on other school work or read. If students are not following through with these expectations they will be removed from math support and placed in a study hall.
