Dear Centerville Families,

The members of the Centerville PTA would like to thank you all for the successful start of the school. This year is definitely different in many ways, but the staff, students and families of Centerville Elementary have made the best of the situation and we continue to be grateful for this community.

We are excited to announce the CPTA will once again be hosting a DIRECT DRIVE as a school fundraiser. We continue to hear from an overwhelming number of families, the preference of direct donations over catalog fundraisers. For the families who are not familiar with Direct Drive fundraisers, it is a fundraiser where every dollar donated goes directly to the school. This is unlike catalog sales where the school only receives a portion of every sale. Your CPTA donation is a tax write-off.

Donations will be accepted from November 2, 2020 through November 23, 2020. Thanks to all the supportive Centerville Elementary families, this fundraiser has historically been a HUGE success and allows the CPTA to support students, staff, and school initiatives.

This year due to COVID safety precautions in the school, we are urging families to donate electronically using Venmo. If you are not familiar with this service, please download the Venmo app, Select “Pay or Request,” add @Centerville-PTA OR scan the QR code below and enter the dollar amount you wish to donate. Please use the “What’s it for” section to list your child’s name, teacher, and, if multiple children, the amounts to be applied to each. This will help ensure we accurately track your donation.

➢ Every student who donates (no matter the amount) will receive a prize.
➢ Every student who raises $50 or more receives a t-shirt.
➢ Every student who raises $100 or more receives a Carbone’s pizza gift certificate and a raffle entry for various drawings
➢ Every student who raises $150 or more will play a game of dodgeball with Mr. Macken and staff members
➢ The classroom that raises the most money will receive a classroom pizza party.

Thank you for supporting Centerville Elementary and the CPTA
