## **Centennial School Board Approves Plan to Make Up Missed School Days**

February 4, 2014 (Circle Pines, MN)— The Centennial School Board approved the plan to make up missed days due to the weather-related school closings at a Special Board Meeting on February 3. The Board added two school days on Friday, February 14 and Friday, March 14. These days, originally scheduled as days off for students, are now instruction days.

The Board also approved schedule adjustments for half-day kindergarten students and high school seniors to align with statutory requirements for these two groups of students. The District is working on a plan to offer one or two full-days of meaningful learning experiences for kindergarten students. High School seniors will attend an additional three days.
